# 32" to 55" LCD/Plasma TV

Tilt wall bracket

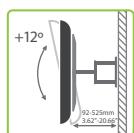

## Description:

- The Klip Xtreme KPM-880 offers you the comfort of your LCD/PLASMA TV safely located high up to prevent accidents, optimize the use of reduced spaces and give your areas at home or office a clean and stylish look.
- Install it easily in any wall opposite to your usual sitting arrangements, yet enjoying flexibility from its 180° swivel.
- If you constantly need to connect devices to your LCD/PLASMA TV, you'll have plenty of space between the screen and the wall to access connections and organize cables.
- Made of heavy duty metal and the finest finishing, this bracket supports 32" up to 55" TV/LCDs.
- It's so easy to install - You'll have it up within minutes.
